MEMORANDUM FOR: Inspector General

SUBJECT: Inspector General's Survey of the Office of Security

REFERENCE: Memorandum for the Executive Director-Comptroller
from the Deputy Director for Support, same
subject, dated 1 September 1967

1. The Deputy Director for Support has concurred in recommendations 1, 2, 3, 9, and 10 of the Inspector General's Survey of the Office of Security.

2. Although Recommendation No. 4 has not been concurred in, the reasons therefor together with the comment that effective procedures have been adopted to reduce the clerical work load is a satisfactory and acceptable response.

3. Recommendations 5 and 6 have been treated together with the comment "For the past three months efforts have been under way in Personnel Security Division to re-structure the field of 'AIO,' 'Ad Hoc' and 'Precontract' clearances. The study is continuing, taking into consideration the comments made by the Inspector General." I consider this response as satisfactory (for the time being) but we shall look forward with interest to the conclusions of the study, which is expected to be completed by 1 November 1967. The conclusions of this study, together with the conclusions of a study being made in response to Recommendation No. 3 also to be completed by 1 November 1967, are to be furnished to this office.

4. Recommendation No. 8 has been concurred in with the qualification that it will be carried out with consideration of other priorities. Availability of personnel is the limiting factor. I consider this response satisfactory.
